News You Can Use

Annual Gathering

Plans are being made for the annual gathering at Chattanooga Whiskey, which is the perfect environment for "gentlemanly discourse about Southern gold coins, in a relaxed setting." The gathering would coincide with the Georgia Numismatic Association Coin Show, and be on Friday, April 17, 2020.

The gathering would start at 6:00 p.m. with a guided tour of the distillery followed by a tasting of their award-winning whiskey. Approximately one-hour in duration, tours are $12.00 per person. Afterwards, we would gather in their whiskey cocktail lounge for libations and fellowship. Or, dine at a near-by restaurant.

However, before we finalize this plan, we need to know how many people are interested. An SGS-provided bus or van would be provided for transportation, if

enough people wanted to ride. If you are interested in attending this gathering, please reply to this newsletter email or email dcnumisma@outlook.com as soon as possible to let us know. If yes, will you also ride provided transportation or not? Stay tuned!

Writers Needed

One of the purposes of the SGS is to "enjoy each member's knowledge." This newsletter is one of the ways this numismatic knowledge is dispersed. The frequency of the newsletter is driven by the number of submissions for publication. The editor of the SGS eNewsletter needs new material and welcomes the opportunity to review your original article for publication. Articles should be relevant to the study of the gold coins and related history of the Dahlonega, Charlotte, and New Orleans branch mints and private minters Templeton Reid and the Bechtlers. If you do a presentation at a gathering or other venue, consider compiling your notes into an article. Do not worry about the grammar. The editor will do the rest. Electronic manuscripts should be submitted by email to dcnumisma@outlook.com.

Mission Statement

The Southern Gold Society was formed to increase the enjoyment and study of Southern gold coins and related history, through an informal, relaxed mix of education and fellowship. The society is reminiscent of those of a bygone era,

in which connoisseurship and a gentlemanly appreciation of Southern gold coins is the order of the day.

Purpose

- To facilitate the enjoyment and study of the gold coins and related history of the Southern branch mints (Dahlonega, Charlotte, and New Orleans) and private Southern minters (Templeton Reid and the Bechtlers).
- To enjoy each member's knowledge and friendship in an informal manner.
- To provide a relaxed, pleasant environment in which to meet during selected coin shows and other convenient events.
- To encourage the appreciation and preservation of a Southern gold coin's original surfaces.
- To consolidate the information, resources, and talent available to enthusiasts of these historic Southern gold coins.
